### **Coil Construction welcomes new project manager**

COLUMBIA, MO (October 29, 2019) - Coil Construction is pleased to announce the addition of a new member to its team, Maggie Schneider.

Schneider joins the Coil team as a project manager with a speciality in interior design consultation.

Schneider earned a bachelor of science degree in architectural studies from the University of Missouri-Columbia. She is currently working toward her NCIDQ certification from the Council for Interior Design Certification, the industry's recognized indicator of knowledge and proficiency in interior design principles. She previously worked for a commercial furniture dealership, where her responsibilities included project selection and budgets on projects for major clients, and as an interior designer for MU Student Unions, where she worked on projects for the renovation of the Mizzou Store at the Student Center and the Memorial Union North Tower renovation.

Established in 1975, Coil Construction specializes in institutional, retail, professional, industrial, and healthcare construction throughout the Midwest, with an emphasis on commercial construction projects in Missouri.
